Code of Conduct

- Microsoft's mission is to empower every person and every organization on the planet to achieve more. This includes at this event, where we seek to create a respectful, friendly, and inclusive experience for all participants. As such, we do not tolerate harassing or disrespectful behavior, messages, images, or interactions by any event participant, in any form, at any aspect of the program including business and social activities, regardless of location.

- We do not tolerate any behavior that is degrading to any gender, race, sexual orientation or disability, or any behavior that would violate Microsoft's Anti-Harassment and Anti-Discrimination Policy, Equal Employment Opportunity Policy, or Standards of Business Conduct.
In short, the entire experience must meet our culture standards.

- We encourage everyone to assist in creating a welcoming and safe environment. Please report any concerns, harassing behavior, suspicious or disruptive activity directly to us.
Microsoft reserves the right to refuse admittance to or remove any person from this and/or future events at any time in its sole discretion.
